Description

Test Case: **link Google account when registering a new user.**

Step-by-step:

1. Open website page
2. Choose “sign up with Google account”
3. Confirm which Google account
4. Add any remaining information
5. Click Save

Test Case (BDD):

- Given: I go to the signup page
- When: I want to register as a new user
- Then: I should be able to link my Google account
